

**REMARKS**

The present preliminary amendment is prepared in accordance with the new revised requirements of 37 C.F.R. § 1.121. A complete listing of all the claims in the application is shown above showing the status of each claim. For current amendments, inserted material is underlined and deleted material has a line therethrough.

The foregoing preliminary amendment (which is being mailed simultaneously with a request for filing a divisional application of pending application serial no. 09/885,790) is submitted as noted above to define more specifically the invention described in this divisional application and to conform the apparatus and article claims to allowed method claims in the parent application. The claims pending in this divisional application are now 11, 13-16 and 21-25. Applicants have canceled claims 1-10, 12, 17-20 which are no longer applicable to this divisional application.

Respectfully submitted,

  
John J. Tomaszewski
